SECTION 1.1.

INVITATION TO BID

ANACONDA ALUMINUM COMPANY

HAZARDOUS WASTE LANDFILL EXPANSION

&

COVER EARTHWORK OPERATIONS

Sealed bids for the construction of hazardous waste landfill #1 expansion, hazardous waste landfill #2 and earthwork operations to cover the existing carbon mound and old solid waste landfill, will be received by Anaconda Aluminum Company, Columbia Falls, Montana. Site of the improvements is at the plant site, approximately one half mile northeast of Columbia Falls, Montana.

Bids will be opened at 10 o'clock A.M. MDST, the 7th day of AUGUST 1981, at the Purchasing Offices of Anaconda Industries, Columbia Falls, Montana.

Plans and Specifications, bidding and contract documents may be obtained from the Consulting Engineers, Marquardt, Billmeyer, 2191 3rd Avenue East, Kalispell, Montana.

The Company reserves the right to ascertain the financial stability and general reputation of the bidder. The right is reserved by the Company to put aside any bidder's proposal who they judge is not financially or otherwise competent to be awarded a construction contract.

Attention is invited to the Plans and Specifications in which contain instructions that are to be followed in all respects. All proposals shall be submitted on the form provided in the Specifications. The proposal forms shall not be removed from the bound copy of Specifications and Contract Documents.

Anaconda Aluminum Company reserves the right to reject any or all bids or to accept any bid or combination of bids which it feels is in the best interest of the Company.

Dated at Columbia Falls, Montana this 24th day of July 1981.
